

STEM Clubs

STEM and Women in STEM Club

Thursday

Ms. C. Velazquez & Mr. R. Rosario

Members of the STEM Club explore the intricacies of the fields of Science Technology Engineering and Mathematics through a variety of experiments, fundraisers, and events. Because of the hands-on experiences in not just STEM, but in organizing and leadership that the club offers, STEM Club proves to be strong in college applications! Empowering Women in STEM, the Women in STEM Club/branch works with female students to inspire students and highlight the importance of women in the fields of STEM.

HOSA

Wednesday / Mrs. M. Redondo

Health Occupation Students of America is an international student organization that promotes career opportunities in the healthcare industry and enhances the delivery of quality healthcare to all people. HOSA provides a unique program of leadership development, motivation, and recognition exclusively for elementary, high school and collegiate students enrolled in health science education or who have an interest in pursuing careers in health professions. HOSA also helps students develop effective leadership qualities and skills, build self-confidence, and create friendships and social networks through in-school activities, community involvement and competitive events at the state, regional and national levels.

About

County Prep High School offers an array of extracurricular activities to fit the interests of our diverse student population. Our after school clubs provide students with the opportunity to experience a new hobby, enhance their skills in a vocation, and get the most out of their high school career! The majority of our students are involved in several after school clubs and participate in our intramural program.

Transportation

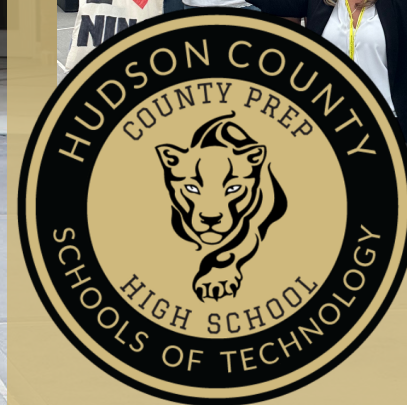

Transportation is provided for our students who participate in our extracurricular activities.

We offer a late bus at 5PM.

Compete

Model Government

Wednesday / Mr. J. Aguiar

Engages its members in the process of how our US Government works and functions by participating in multiple High School Model Congress Conferences. Students/members will take on various roles in the 3 branches of our Government or roles of those who interact with our Government (Lobbyists, the Press, Interest Groups, Lawyers, etc.) Those who have attended the Harvard Model Congress will attest to just how interesting and valuable this hands-on experience really had been for them.

Model United Nations

Wednesday / Mr. J. Aguiar

Members of the Model UN actively participate in the process of how the United Nations works and functions by participating in Model UN Conferences/Events. Students/members become delegates representing a particular country or countries on committees currently in the United Nations. They propose, debate, argue, and compromise with each other to pass resolutions addressing some of our world's most pressing challenges and problems.

Compete

Skills USA

Tuesday

Mr. S. Fessel & Ms. L. Castagna

SkillsUSA is the largest national membership organization of students in career-technical education (a CTSO certified for the purposes of Perkins funding). SkillsUSA helps prepare students for careers by linking them with educational resources and industry partners and gives them opportunities to develop workplace, technical, and leadership skills through conferences, contests, and events. Events also include guest speakers and service projects.

DECA

Monday / Ms. T. Murray

Prepares emerging leaders and entrepreneurs for careers in marketing, finance, hospitality and management in high schools and colleges around the globe.

Sports and Wellness

Intramural Sports

Monday – Friday & Saturday 10 – 1

Mr. B. Ehnstrom

Intramural sports such as Basketball, Volleyball, and Soccer will be offered to students. Students can also utilize our weight room, cardio room, and spin cycle room after school.

PHYSICAL AND HEALTH FORMS REQUIRED TO PARTICIPATE

The History of Sport / Ping Pong Club

Thursday / Mr. M. D'Andrea

An introspective look into the Sports Industry and its Evolution. Including: A Collective of Professional and Collegiate Athletics, Scandals, Historic Moments and Figures, Integration of Sports (Breaking The Color Barrier), Women in Sports– Title 9, Legends and their Legacies, Officiating, College Athletics (Student Athletes and NIL Deals), Marketing and its influence on Society, Financial Literacy (The untold story of Athletes and their financial misfortunes)

Resources: Movies, Podcasts, Newspapers, Periodicals, E60, 30 for 30, Field Trips (If Applicable). Students will also be able to play Ping Pong, and compete against their peers.

Service

Key Club

Tuesday

Mr. J. Aguiar & Ms. M. Gangala

Key Club is the oldest and largest service program for high school students. It is a student-led organization that teaches leadership through service to others. Key Club members build themselves as they build their schools and communities. The County Prep High School Key Club participates in many community service activities including food banks, raising money for specific organizations and going to charity events like the Cancer Walk.

Environment

CP Green Club

Wednesday

Ms. C. Mendoza & Mr. T. Pizzuto

CP Green is an afterschool program which encourages students to develop environmental empathy, and passions for environmental sustainability. The CP Green club also aims to educate members about environmental issues.

Community

Multicultural Club

Monday / Ms. C. Mendoza

The fundamental purpose of the Multicultural Club is to educate and increase student awareness about Multiculturalism and its characteristics. Under the ceiling of County Prep High School, we will introduce the richness of Multiculturalism and religious heritage to the student body of County Prep HS, and also act as a bridge between the community at County Prep and the communities of the Middle Eastern World through fundraisers and events. All are encouraged to come!

CP Outreach Club

Tuesday / Mr. T. Pizzuto

Students in the organization are producing a bi-monthly newsletter as a way to provide educational and informational news about school events, student achievements, and topics affecting the community. They are also connecting other students to local organizations which provide service hours and help tackle these community issues.

GSA (Gender & Sexuality Alliance)

Monday / Ms. J. D'Onofrio

The GSA aims to promote full acceptance of all students, regardless of sexual orientation or gender identity. Our work involves providing support, building community, taking action to create change, education, and advocacy. The goal of our group is to create and maintain a safe, supportive and inclusive environment for our LGBTQIA+ students and allies by cultivating mutual respect, open discussion and a common vision of social equality.

Sports and Wellness

cont.

PHYSICAL AND HEALTH FORMS REQUIRED TO PARTICIPATE

Zumba/Yoga

Wednesday & Thursday / Ms. C Nguyen

We will learn basic Latin inspired rhythm such as merengue, salsa, cumbia, bachata, reggaeton, and a fusion of international rhythm such as belly dance, bangra, k-pop, afro beat and so on. We will meet every Thursday at 3:00pm in room 607. We will practice basic yoga poses that will help strengthen your body and release stress.

Lady Panthers Fitness Club

Monday / Ms. C. Velazquez, Ms. K. Lauto

Once a week female students will come together to use the weight room, cardio room, outside and possibly the culinary room. We will engage in proper weight lifting, balanced with cardio. This will be a place where our female students feel comfortable to exercise and learn healthy habits.

Dance Techniques Club

Friday / Ms. M. Woods

Through various techniques, you will improve your coordination, rhythm, strength, flexibility, and expression through movement. We will work with jazz, contemporary, ballet, modern, and other forms of dance. There will also be opportunities to perform for the school and general public. This class is a chance to get to know other students in an environment that is welcoming and rewarding, where you will grow as dancers, collaborators, and performing artists.

The Arts

Art Club

Thursday / Ms. K. Lautio

The Art Club is open studio time and a place for practicing artists to hone in on their skills, develop their techniques and portfolios. Students will socialize and collaborate with other artists like themselves and create bonds with the community through the arts

Arts for the Stars

Wednesday / Ms. M. Rubio

In this club, we express ourselves creatively with art. We explore drawing, painting, sculpture, as well as design programs online.

Drama Club

Wednesday / Mr. K. Singer

The Drama Club provides students – regardless of previous experience – with the opportunity to express themselves on the stage and introduce them to the world of theater and film. Not only would students be taught acting technique and skills, but also have the creative freedom to grow as performers. Ideally, during the year, students would be a part of two major events – a performance of various scenes from a collection of plays as well as a full production of a play or a film. These performances could be used to expose the rest of the student body to different aspects of theater and encourage participation in the community.

Vocational

Computer Programming

Wednesday / Mr. J. Mattaliano

Programming club is for extra help with classwork or to explore topics outside the scope of class. Some of these topics include 3D printing, using an Arduino or Raspberry Pi to interact with motors, sensors, etc.

Audio Visual Club

Tuesday

Mrs. N. Martinez & Mr. J. Carey

The AV Club offers our current students extra time to work on their projects. It will provide an opportunity for students to collaborate with others in our major courses and electives.

Handicrafts

Needlework Club

Thursdays / Ms. J. Zito

Do you enjoy needlework such as crocheting, knitting or sewing? Do you want to learn how? The Needlework Club welcomes you to an open and lively community filled with fellow enthusiasts willing to share their artistic skills and creations.

Literature

Creative Writing Club

Monday / Mrs. T. Ashe

We gather once a week to write original works including but not limited to poetry, short stories, flash fiction, and fan fiction. We play games and do warm-up writing exercises together in a supportive creative environment. We also participate in NaNoWriMo in November and have tons of fun. This club will be a place for students to develop their writing skills outside the traditional English classroom. Fun writing prompts will include, but will not be limited to, activities from Mindful Writing, NCTE sponsored curriculum that provides students with social-emotional learning skills.

Well Versed (Poetry Club)

Friday / Ms. J. D'Onofrio

The Poetry Club allows students an opportunity to express themselves via the written word. Students will engage with various forms of poetry with the ultimate goal of composing a Literary Review by the end of the year. The environment will be relaxed and provide students a chance to express and articulate themselves. Sign up and have some fun.

Booked & Busy

Wednesday / Ms. J. D'Onofrio

Literature lovers, look no further—your Wednesdays just got Booked and Busy. Come join the lit-est book club at County Prep and engage in a space for casual reading and conversations with peers who love books just as much as you do. Booked and Busy aims to promote reading positivity and inspire students to find the stories that will make them fall in love with literature. It doesn't matter if you're a reluctant reader or a certified bookworm, everyone is welcome! So mark your planners and cancel your plans because it's time to get Booked and Busy.

Honor Society

National Honor Society

Ms. L. Mercer

Students must have a 3.8 GPA or higher. Applications will come out after the 1st marking period.

Math Honor Society

Monday

Mr. J. Johnson & Mr. T. Thompson

Mu Alpha Theta is a national high school and two-year college mathematics honor society founded in 1957 to promote scholarship in mathematics and establish math as an integral part of high school education. Several benefits of being a Mu Alpha Theta member include being officially recognized for your mathematical achievement, being eligible to apply for awards that further recognize excelling in mathematics, advancing your learning of mathematics beyond course content by participating in math contests and other to be announced club activities and being able to apply for Mu Alpha Theta scholarships.

Study

Study And Teach (SAT) Club

Monday / Mr. D. Granda & Mr. R. Rosario

A club designed to help you study and prepare for the Collegeboard SAT exam through a self-paced, custom SAT study program through Khan Academy. The purpose of the club is to provide a dedicated time for students to work on their SAT study program as well as go over SAT test taking skills and content.

Game

Chess

Tuesday & Wednesday / Mr. Ashe

As the students' skills advance at various intervals, they will learn how to read and write basic chess notation and advanced chess theory will be discussed. For students who are interested, casual and competitive interscholastic chess games will be arranged. Field trips to United States Chess Federation (USCF) rated games may also be possible.

Board Together

Tuesday / Mr. R. Johnson

The club to come to whether you like card games or tabletop games or both! Students can bring in their own games to share with their friends or play one of the games brought in by the advisor. Board games will require logic, strategy planning, teambuilding, and problem solving skills.

How We Roll

Wednesday / Mr. R. Johnson

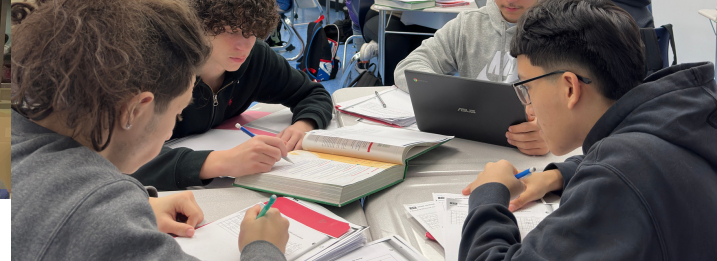

The Dungeons and Dragons club. Experienced or beginners welcome. We will help you with character creation and move forward from there. This year there will be two different days as we will be running two different campaigns each with a different advisor.

Game and Intermedia Design

Thursday

Mr. G. Bordenabe & Mr. F. Hoffer

The Game and Intermedia Design Club offers our students a safe space to learn about and play a wide range of video games dating back to the 90's. It will provide them with the tools to mod their own games and help develop social skills with other like minded students.
